

# RAIL FENCES

Since 1980, Everlasting Fence Company has been providing customers with the best products in the industry and a level of service matched by none. Through intense product research and annual training, our salesman and installation teams can help you accomplish your fencing and overall outdoor design goals. Rail fences can be a valuable and inexpensive way to enclose your yard or a beautiful accent to your homes curb appeal. The most common rail fence is split rail, made using rustic spruce split rails and heavy black locust posts, these fences will last for years and can be easily maintained. The addition of wire to any of these fences can help contain kids or dogs.

**Split Rail:** 11' long Spruce split rails on Black Locust wood posts

**Round Cedar:** 10' long scarfed end Round White Cedar (3" – 4" diameter) on Round White Cedar drilled posts

**Estate Style:** Western Red cedar 1" x 6" (actual 3/4" x 5 1/2") set on 8' centered Pressure Treated 4" x 4" (actual 3 1/2" x 3 1/2") posts or Pressure Treated 1" x 6" (actual 3/4" x 5 1/2") set on 10' centered Pressure Treated 4" x 4" (actual 3 1/2" x 3 1/2") posts.

**Crossbuck:** Western Red cedar 1" x 6" horizontals and 1"x4" cross boards(actual 3/4" x 5 1/2" and 3/4" x 3 1/2") set on 8' centered Pressure Treated 4" x 4" (actual 3 1/2" x 3 1/2") posts or Pressure Treated set on 10' centers

**English Hurdle:** Rough eastern White Cedar 1"x3" (actual 3/4" x 2 1/2") horizontals and bracing attached to drilled out Pressure Treated 2"x4" (actual 1 1/2" x 3 1/2"). English hurdles sections have 5 crossmembers for 3' high and 4' high and are 8' wide. We set Pressure Treated 4x4's (actual 3 1/2" x 3 1/2") at all terminal points (corners, ends and gates)

**Slip Board:** Rough sawn Pressure Treated 1 x 6 (actual 1" x 5 3/4") on slotted rough sawn Pressure treated posts.

Most rail fence heights are 2 rail (3' high), 3 rail(4' high) or 4 rail(5' high), but certain styles can be customized. Our standard welded wire is 14 gauge steel wire with a green or black coating.
